Communications Coordinator Montreal, QC

- Initiate as well as establish contact with external organizations such as television stations, newspaper and radio stations.
- Responsible for all the social media platforms such as Facebook, Instagram, and Snapchat. I was able to increase our audience by 2000 likes on FB , 1200 followers on Instagram and the engagement rate to 200%
- Designed and ordered multiple items like t-shirts, club hoodies, winter and phone accessories, grad gifts, and more.

PROJECTS

🌐 More projects available on my personal website

KREAMER November 2020

- KREAMER is a phone app that works as a virtual coffee shop where users can pick a local coffee shop and listen to a soundtrack that the coffee shop manager uploaded while looking at a picture of the coffee shop. The app also offers chat and taptalk features with active friends.

EXIBT - XCdoe, Swift Sep 2018

- EXIBT is an IOS application that is mainly made for local artists where they can showcase their artwork and support each other as well as find different opportunities.
- The application consists of four main tabs. The first tab is the explore tab (Following and trending), the second is for uploading the artwork, the third is the opportunities page and the fourth is a profile page.

ACTIVITIES AND VOLUNTEER

Liberal Party of Canada— Youth Council Member Nov 2019 - Current

- Developing an "intro to programming workshop" as my Liberal Youth Council project, for high school students in the district of Saint Laurent; under the supervision of Emmanuella Lambropoulos with the help of Canada Learning Code

Vanier Robotics — Team Lead August 2018 - February 2020

- Lead designing the robot to perform its tasks in the most efficient way.
- Provided mentorship and help to new members.
- During the two years my team and I were able to win multiple awards like CRC Design Competition - 1st place and CRC Programming Competition Div 1 - 2nd place
